Subject: 4Horse Ranch

Message: 4Horse Ranch has donate every year to our annual church Carnival. They bring several horses and do the Trail Rides in the back of Good Samaritan Church on Baldwin Street in Valley Springs from 1-5. It takes all day because thet have to set up and clean up.

They have been doing this for several years and their horses are always a big hit. One of the most popular things at the carnival.!!

And they do it absolutely free. They never hesitate when I ask them to come do this. The kids and parents would be so disappointed if they weren't able to come!!
